About Auburn Junior Football and Cheer

Auburn Junior Football Association is made up of a Board of Directors and coaching staff consisting of volunteers, following a set of association and league bylaws and rules.

The Board members and coaches are dedicated to seeing that the program is a positive, safe activity for our children and is self-sustaining financially. Everyone is a volunteer. No one claims to be an expert or professional. We are people who believe this program has something positive to offer the children in the Auburn area. The members of the Board and coaching staffs have given many hours of their time during this off-season to help put this year's program together. There is still much to do and their dedication will continue throughout the season and playoffs. Working together, this team and you can make the season of Panther football/cheer an awesome and fun experience.

COACHES

Any parent wishing to volunteer as a coach must fill out an AJF Coaching Interest form and turn it in to the AJF Athletic or Cheer Director. All volunteers working with children must also complete a Washington State Patrol background check. Please see any Board member for further details.

PRACTICE/GAME FIELDS & SCHOOL PROPERTY

AJF must apply for permission to use the fields and facilities each year. Our acceptance for usage is based on the School and Park Districts past experiences with us. It is important that we follow all of their rules and do not abuse the privilege of field usage.

The use of profanity by both adults and children will not be tolerated. There is absolutely no weapons, tobacco, alcohol or drug use permitted anywhere on school property.

Please pick up all garbage and help keep the stands and fields clean.

PARENTS AND FANS

- Please support all the teams from the stands.
- Parents and fans are NOT allowed on the field or sidelines at any games, home or away.
- When practice is being held, parents and fans must stay out of the designated perimeter of the practice field. Our space is limited and the coaches need as much room as possible to work with their team. Interference by parents or fans during practice will not be allowed. Please address coaches with your questions after practice.
- It is important to players/cheerleaders to have their parents at practices and games providing support and encouragement. Be involved with your child.
- Avoid negative comments, profanity and other inappropriate remarks or gestures. Please save criticisms and complaints for an appropriate, private time between you and that person or coach.

EQUIPMENT

Equipment will be handed out at a weigh-in/team assignment day prior to the first practice. Each participant is provided a practice uniform and a game uniform. It is the parent's responsibility to return all uniforms washed. Parents are required to sign for equipment/uniforms issued and are responsible for loss or damage.

Parents are responsible for providing athletic shoes. Football players shall have "turf" shoes and cheerleaders shall have tennis shoes and socks. See your child's coach for more information.

In addition, cheerleaders are responsible for a spirit pack. The coach will provide information such as color, style and cost.

Additional items not issued by AJF can be purchased at local sporting goods stores.

PRACTICES

- Practices will be held 4 days a week, Monday thru Thursday, from 6 to 8 pm with a Friday option if the coach feels it is needed prior to the first game.
- At the start of the school year, practice will be 3 days a week.
- Cheerleaders will be moved to an indoor facility in early October.
- The first three practices are conditioning practices. These are "no contact" practices and players are to wear helmets only.
- Players and cheerleaders are expected to be on time.
- Practice is held rain or shine. Please dress appropriately.
- Please make sure your children are picked up by 8 pm. Please be prompt.

TEAM PHILOSOPHY

The AJF program is first and foremost a teaching organization. Our coaches are dedicated to doing their best to teach their player/cheerleader good work habits, self-discipline, teamwork, sportsmanship and commitment. Winning football games is a by-product of the above. It is not our primary goal.

Each Head coach will provide information at the team meetings after each practice on his/her coaching style and expectations of their participants. Coaches are available after practice to discuss your concerns. Please focus your concern on your child.

COMPLAINTS

Remember that this is your child's experience, not yours. Our coaches, Board members and other volunteers will do everything we can to make it a quality experience. Any person having a complaint must present the detailed complaint, in writing, to any Board member. Further details on how complaints are handled can be found in the AJFA Bylaws.

GAME DAYS

Game schedules will be available in mid August. Games are played at local school fields and changes may be made. AJFA will make every attempt to notify parents and players of any changes via newsletter, flyer or announcement. Information is also available on the AJFA and PSJFL web sites. Each Head coach will determine the time he/she expects participants to be at the field prior to their contest. Players must be on time for weigh-ins to be eligible to play in that day's game. Weigh-ins are usually held at half time of the previous game.

VOLUNTEERS NEEDED!!

Auburn Junior Football Association is strictly a non-profit organization. We have no paid positions or large corporate sponsors. In order to run a successful organization, we need volunteers. We need you!!

Volunteering is a great way to get to know other parents in the organization and make it possible for everyone to be able to watch their child play.

The following is a list of some of our volunteer needs. It by no means covers everything we need or do. If you have other skills or ideas that may be valuable, please talk to your coach, team parent or any Board member.

- ✓ **Concessions** - Cooks, cashiers, set up and clean up.
- ✓ **Team Parents** - Each team needs a parent to help the coaches with making phone calls and handing out information. Team parents also work with the Concessions Director to schedule shifts in the concession stand at home games.
- ✓ **Chain and Down Markers** – 3 volunteers per game are needed to work the first down chains and down markers.
- ✓ **Spotters, Time Clock, Scoreboard and Announcer** – 3 to 4 volunteers are needed for these management areas during each game.
- ✓ **Security** – Volunteers are needed each game to various areas.
- ✓ **Fund Raising** – MANY opportunities. Just ask!

Never assume we have enough help – Please join in and volunteer!

MEETINGS

The AJFA has Board meetings every second Tuesday of each month. The AJFA has General Membership meetings every third Tuesday of each month. The meetings are usually at the Rainbow Café in downtown Auburn at 6:30 pm. When the season begins, these meetings are held at the practice field. Our members are always invited to attend

these meetings and keep informed with what is going on. Stop by!! Get involved!! We would love to see you there!!

Please remember that this is a general outline of the AJFA, its philosophy and its operations. If you have any questions, concerns, comments or ideas, contact any Board member and they will be happy to help. Thanks for supporting the AJFA!

GO PANTHERS!!
