

PLEASE PASS ON!

POWERLINE SOFTBALL INSTRUCTION SUMMER CAMPS!

Powerline Softball Instruction (PSI) will offer an outstanding opportunity for any softball player who wants to make a commitment toward improving her skills. You can choose instruction for one day a week (for eight weeks) or four days a week. Powerline Softball Instruction is owned and operated by Molly Chesebro, Assistant Coach at Occidental College and Head Coach of a local travel ball team. PSI Camp combines the owner with the Head Coach at Occidental College (who is a former professional pitcher) as well as other coaches and players to offer one of the best camps in the San Gabriel Valley.

All campers will have the opportunity to play softball every day while working hard to improve their skills and don't forget making new friends and having fun! Campers are encouraged to develop new skills and achieve a new level of play and self-confidence. Every facet of the game of softball is covered - hitting, fielding, baserunning, and team play.

You'll Love Camp!

PSI instructors are accomplished players and teachers of the game. They share your passion for the sport of softball, and have made a career of sharing their knowledge and experience with hundreds of young athletes. They never lose sight of the fact, however, that great softball players are created not only at a young age but one at a time. Additionally, all the coaches feel softball is always a ton of fun. Each instructor is committed to creating a great environment along with maintaining the traditional spirit of the game.

You'll make new friends!

Who says getting better can't be fun too? PSI Camps, you'll meet other young athletes who share your love of softball. On and off the field, you'll take home experiences you will remember forever.

You'll get better!

PSI Camps teach you the fundamentals, especially ones that are too often overlooked. You will learn how to properly warm-up, learn fundamentals by focusing drills on one skill at a time - no matter what your ability level. Every facet of the game is covered - hitting, fielding, base running, team play, and more. Your performance as an overall player will improve, along with your self-confidence! With a low camper-to-instructor ratio and several hours on the field every day, there is no better place to improve than at a PSI Softball Camp.

A Camp For Your Skill Level

PSI Camps are designed to help players, ages 7-18, develop athletically. Upon arrival at camp, you are evaluated individually and placed in groups with other athletes having similar abilities and goals. Each director will attempt to accommodate an individuals needs as an athlete, keeping in consideration your experience and desire to improve.

Camp Highlights

- Flexible times of Camps for girls
- Professional instruction from college coaches and current college players
- 8:1 camper/staff ratio
- Multi-level ability grouping
- Hitting and Pitching Specialty
- Post-camp improvement plan
- Beautiful facilities at Occidental College

WAIVER OF LIABILITY

Camp Waiver of Liability, Assumption of Risk, Medical and Insurance Proof is required for every participant, and must be signed before she may participate in the clinic. The waiver may be submitted at the time of registration, or at any point before the start of camp. If the signed waiver has not already been received with registration and payment, a copy will be sent via email.

HEALTH CARE & INSURANCE

Each participant must provide his/her own medical insurance. Camp medical staff is NOT responsible for administering prescribed medication.
