Support Our Youth!

As a sponsor of the Artesian Little League, you are not only advertising your company, but you are supporting the youth of Morgan County. This sponsorship will give you the opportunity to show the community that your company is proud to be a part of their youth activities. It will also demonstrate to the players that the business community cares about them.

The Players

As an Artesian Little League player, the boys and girls can learn many skills. Of course, they are learning how to "play ball". However, they can learn many of the life skills as well. As our children grow, they deserve every opportunity to learn some of the skills needed for their adult lives. Skills like team work, leadership, self discipline, and determination. By supporting this development in our youth, you can help the community build stronger leaders that you may someday need in your company.

It's Great Advertising

With over 700 players, you can reach out to all families and friends. Not only will you reach the Morgan County community, but you will also have the capability to reach the surrounding communities with no effort. Your contributions are also tax deductible.

Our Federal Tax ID# 35-1788116/0

Sponsorships that require printing on team jerseys must be received by March 10th.
