

The Cactus Little League 9-10 All-Star team was top-notch in every way. This dedicated group of first-class baseball players really came together as a team outperforming all expectations. Right from the beginning the kids were fully committed to becoming better ball players with dreams of what could be. The coaching staff could see how much the kids loved baseball. This really came thru in the practices and the games. Each of the kids worked tirelessly and it paid off as they made it all the way to the District Championship pulling out some amazing victories along the way.

Thank you coaches, parents and players for your commitment to the effort. This team made some great memories, great new friends, and had so much fun playing baseball. Watch out for this group as they play with a lot of heart and will be back for another shot at it next year!!!
