Greetings from the Leagues of north Idaho,

The 12 Leagues of Idaho District 1 will be hosting 200 Little League volunteers at two events October 8-11, 2009 in Coeur d'Alene, Idaho: the Northwest Region Conference and the West Region DA/ADA training seminar. The events will be conducted simultaneously at the Coeur d'Alene Inn in Coeur d'Alene, Idaho.

The Northwest Region Conference is an annual gathering of Little League volunteers from Idaho, Montana, Alaska, Hawai'i, Oregon, Washington and Wyoming. The event provides training for local league volunteers and district staff. The conference provides the tools for local leagues to prosper, better serve the greatest number of children and provide the best skills training in baseball and softball for children 5 to 18 years of age.

The West Region DA/ADA seminar is annual training for the all volunteer District Administrators and Assistant District Administrators, traditionally conducted at the West Region Headquarters in San Bernardino, California. This year, for the first time, it will be hosted outside of California. The District Staffs of the Northwest Region will be joined by DAs and ADAs from California, Nevada, Utah and Arizona for the four day event.

Little League Baseball and Softball Inc does not provide funding for these events or for the travel expenses incurred by the attendees. We are asking for your contribution to the education and training of the volunteers who will provide leadership for their leagues. We will need to conduct raffles, live and silent auctions to help fund the events.

Please contact me if you have a raffle item, a basket for our silent auction, or if you could give a cash donation to help us make this event a success. Use the attached form to contribute today.

Thank you,

Will Neal, Idaho District 1 Administrator
