Greetings from the Idaho District 1 Little League,

The 12 Leagues of Idaho District 1 will be hosting 150 Little League volunteers at two events October 8-11, 2009 in Coeur d'Alene, Idaho: the Northwest Region Conference and the West Region DA/ADA training seminar. The events will be conducted simultaneously at the Coeur d'Alene Inn in Coeur d'Alene, Idaho.

The Northwest Region Conference is an annual gathering of Little League volunteers from Idaho, Montana, Alaska, Hawai'i, Oregon, Washington and Wyoming. The event provides training for local league volunteers and district staff. The conference provides the tools for local leagues to prosper, better serve the greatest number of children and provide the best skills training in baseball and softball for children 5 to 18 years of age.

The West Region DA/ADA seminar is annual training for the all volunteer District Administrators and Assistant District Administrators, traditionally conducted at the West Region Headquarters in San Bernardino, California. This year, for the first time, it will be hosted outside of California. The District Staffs of the Northwest Region will be joined by DAs and ADAs from California, Nevada, Utah and Arizona for the four day event.

This is the opportunity for anyone with an interest in Little League Baseball and Softball to receive authoritative training in operating a league. This event will not be back to the Inland Northwest for a decade, so take advantage of this access to the larger Little League community now.

Thank you,

Will Neal, Idaho District 1 Administrator

Northwest Region Conference - West Region DA-ADA Seminar
October 8-11, 2009
