If parents cannot be reached, please attempt to notify:

Name _____ Telephone _____

Uniforms: Each player will receive a Shirt and a Hat from MLLA. Each player will be responsible for providing their own baseball pants (gray in color).

Teams: The number of make-up of teams at each level will be based upon the number of players registered. There are a minimum and maximum number of players that will be placed on a team. If there are not enough players for a team, the player's registration fees will be refunded. If there are too many registered players for one team and not enough for another team, the dates that the registrations are received will be used to determine which players will be placed on a team. The player's whose registrations were received last, will have their registration fees refunded. Hopefully, these situations will not occur and MLLA will do whatever we can to help avoid this. The final decision on placement of players at a Level (Minor, Major, Teener) will be done by the MLLA Fall Ball Commissioner.

Note: MLLA's accident insurance provides "excess" coverage only. Your family coverage is primary and secondary if both parents have coverage. All injury claims must be submitted to parent's insurance company. Uncovered charges are then submitted to the MLLA insurance carrier. MLLA insurance is subject to a deductible. If child is injured during an MLLA activity, notify your child's manager ASAP.

I, the undersigned, have reviewed the above information and attest that it is true and accurate. In an emergency, if I am not available, the presentation of this form allows for the above named child to receive emergency treatment at the facility he/she presents to.
