

2009 OALL Fall Ball Major Division rules

1. Play time is 2 hours or 6 innings which ever one comes first.
2. Unlimited Substitution. This means that you can put whoever in whatever position anytime. In fact this is fall ball, so it is encouraged by all managers to rotate your players to different positions, possibly every inning.
3. Everyone bats consecutively throughout the line up (all players on that games roster).
4. If during an inning you run through the batting line up (includes everyone) with out reaching 3 outs, the inning is deemed over. ***The only inning this will not take effect is the last inning.***
5. No keeping score, unless you want to.
6. No mercy rule.
7. Pitchers can only pitch 2 innings (6 outs) max per game. No pitching eligibility scenarios, players can pitch every Saturday. Because we are limiting the pitchers to 2 innings maximum, pitchers can go from pitcher to catcher. However please use discretion and caution not to overuse a pitcher / catcher just because he / she is your best player. Always err on the side of caution. I would suggest not having a player catch more than 2 innings if he is also pitching.
8. Base stealing at all times
9. All other rules defer to the Green Book
