MANAGER / COACH APPLICATION - Continued

The mission of the Oceanside American Little League is to provide a safe, supportive environment for the children of our community in which to learn sportsmanship, teamwork, skills and a respect for the game of baseball.

The Managers and Coaches of Oceanside American Little League are the most important part of our organization. They are in a position to greatly determine the quality of each player's experience. Oceanside American Little League strives to select those individuals for managing and coaching positions who will best exemplify the values of the Little League Baseball. The League will support the managers and coaches through coaching clinics, safety clinics and other activities designed to enhance their teaching and leadership skills and knowledge.

There are no vested managers or coaches in Little League Baseball. Each manager and coach must apply each season. Prospective candidates will be evaluated on the following: leadership, teaching ability, commitment, enjoyment, organizational skills, sportsmanship, past experience and their ability to be a role model for their team. The Managers and Coaches Committee will evaluate each candidate and will then recommend the approved candidates to the President and the full board of directors for confirmation and team assignments.

Coaching contract

If appointed to a Coaching position within the Oceanside American Little League, I will:

- Fully participate in all League activities including coaching clinics, safety meetings, fundraisers and special programs.
- Treat players, players' parents, fellow coaches, umpires, scorekeepers, and league officials with respect at all times.
- Set an example, both on and off the playing field, of good sportsmanship for players.
- Build confidence in my players.
- Demonstrate positive methods for resolving conflicts.
- Provide team with a reasonable number of practices.
- Not use nor allow others to use:
 - Tobacco products of any kind while on Little League grounds.
 - Alcohol, during or preceding involvement with players in practices and games and during other Little League functions where players may be present.
 - Profanity, abusive, highly critical, or demeaning language.
- Take responsibility for all League equipment entrusted to my team and ensure that all equipment is returned by closing day.
- Be a "team" player by acting in the best interests of the League.
- Be knowledgeable about and follow all Little League rules, including Local Rules.
- Not trade players without the knowledge of the Player Agent or President.
- Assist in field preparation, maintenance and cleanup.
- Prohibit parents and other persons from assuming a coaching role during Little League events without prior Little League approval.

I understand that **Oceanside American Little League** is committed to providing a safe, healthy and positive experience for children while teaching them baseball skills. I understand that failure to live up to any one of these promises may result in dismissal from coaching.
