# 2011 Par Boiler Partner Better Ball

---

---

January 01, 2011

---

---

- Tournament Seeding will be determined by random lottery with previous year's Better Ball Champion being awarded the ONLY seed.
- Entries Fee, (\$40 per team), MUST be paid by 1st Tee Time at San Luis Rey Downs; (7/23/2011).
- Entries received after Deadline will be sequentially assigned to the next pre-determined tournament bracket positions and subject to \$10 late fee.
- First Round matches will begin at Oak Quarry on August 13, 2011; matches to be completed in month scheduled.

## Par Boiler Partner Better Ball Tournament Rules:

- Play to be completed in the month scheduled.
- Format is NET Better Ball; Strokes are taken where they fall on the scorecard. Note that double pops are awarded on par 3s in Better Ball matches Not in ParBoiler Net skins. Keep a separate scorecard for matches if this is a concern.
- The team with the low better ball score wins the hole.
- Better Ball Partners must play to within 10 strokes of course handicap, (Higher handicap partner may adjust to 10 strokes over low handicap partner if necessary).
- Partner B can play first, even though partner A is away.
- Partners can give advice to each other.
- If your ball is deflected by your partner or equipment, (including a cart you are sharing), you are disqualified for that hole, but not your partner.
- When your ball is deflected by something on the opponent's side, there is no penalty, but you get a choice to play it where it lies or replay the stroke.
- If one player on a team is late or never shows up at all, the remaining player can play against the other team. The missing player can join the match in progress at the start of any hole.
- Ties to be decided by NET better ball score commencing on #10 unless competitors agree before teeing off that they use an alternate tie-breaker process, (i.e.: return to first hole to continue the match [Pro Shop permitting]).

The preferred location to play Better Ball matches is at a Par Boiler event. However, the match may be played at any mutually agreed upon location. There must be a match winner reported to Henry Garcia by the end of the month. Review your schedule; contact your opponents if you will not be at all events to verify they will be at the event you plan on attending.

**NOTE:** In addition to your Better Ball match, you are also playing in the ParBoiler Net Tournament against 40 other members. Although your opponent may concede a putt or a hole in your Better Ball match, you **MUST** play out the hole to the bottom of the cup, or be **disqualified** from the Net Tournament, Low Putts and that Hole's Gross & Net Skin.
