

George Hull, nominee for President

I have been with SCAA since 2000. I have two boys currently playing in the Mustang and Pony Divisions. I have been a manager in T-ball, Pinto, Mustang, and Bronco as my sons have moved up. I volunteered for the SCAA Board of Directors in 2005 as the Bronco Player Agent. I wish I had stepped up earlier. I had no idea how much the league needed help and support to accomplish the great opportunities it provides our community children to experience Baseball and Softball. In 2006 I volunteered serve on the Executive Board as was elected as Baseball Vice President. Many of you probably met me at sign-ups as I handed out information and helped guide parents to their player agents for their age level. I am a firm believer in the Recreational Baseball league format and want to see EVERY child have a positive experience at SCAA regardless of talent level. I believe the complex and facilities at Eason Road are a true blessing which has been entrusted to the SCAA Board of Directors to maintain and protect. As President I will continue to strive for a safe and positive experience for all players and parents. There are many things that need to be done to insure the future viability of the league from good financial management to improvements and maintenance of the facilities at the complex, too many of which to list here. I look forward to doing my part to help the league and endorse Craig, Matt, Ray, and Teri as members of the executive board.
