

CAMP PURPOSE

The purpose of the Lebanon Baseball/Softball Association (LBSA) Softball Camp is to provide a fun experience for all campers, while introducing them to the basic skills of softball and to the skills needed to compete at more competitive levels. It is open to girls 6-16.

We hope each young person will have an enjoyable experience and we will work hard to personalize instruction so kids will be better prepared to work on their game.

We believe that developing fundamentals is a key to success at all age levels and we want athletes to leave the camp with drills, and plans for improvement.

Players should bring gloves as well as helmets and bats. In addition please send plenty of hydrating liquids

Please register by July 1st to guarantee shirt and ball

CAMP ACTIVITIES

Campers will be introduced to the FUNdamentals of softball through drills, stations, games, and activities. Each day we will teach a new fundamental skill in our stations and do drills that help reinforce what has been taught. We will review each skill daily and build on it the next day.

SKILL DEVELOPMENT

Softball, among other things, is a game of skill. Our drills will emphasize the fundamentals required to play competitive softball: **throwing, fielding, pitching, catching, defensive positioning, bunting, hitting, conditioning and teamwork building.**
