**USSSA Rules & Regulations will be followed with these exceptions:**

**ALL**

1. **Games:** will be based on time limit first and then innings. No new inning will start after 1 hour and 30 minutes.
2. **Run Rule:** USSSA run rule (Rule 4.Sec.4; 12/3, 10/4, 8/5) criteria will be used for all divisions. International tie breaker will start after time or innings are exhausted.
2. **Batting:** Roster batting will be used by all teams.
3. **Courtesy runner:** may be used for the pitcher or catcher once they become a base runner. If a courtesy runner is used, it must be someone who will not become a batter while being the courtesy runner. Result of the delay would be an **OUT**.
4. **Home team:** will be determined by a coin toss.
5. **Seeding:** will be determined by: win/loss, head to head, points allowed, points scored, and then coin toss if needed. Only the top two teams in each pool will advance into the single elimination play.

**Additional 10-U Division Rules**

1. Complete game will be after 1 hour and 30 minutes or **6** innings, unless home team is ahead after 5 ½ innings or the run rule is in effect at any point in the game.
2. Runs Per Inning No more than five (5) runs can be scored by any offensive team, per inning, except in the sixth (6) if time allows.
3. A base runner can only steal one base per legal delivery.
4. Stealing of home base is **not** permitted. A runner may advance to home if the defense attempts to make a play on the runner at third base, once third base has been earned.
5. A team may use 10 players defensively, by having 4 outfielders. Outfield positions must be at least 20 feet behind the normal base path at the start of the pitch.
6. Infield fly rule is in effect.
