State Goalkeeping Diploma (Level I)

The overall objective of the State Goalkeeping Diploma is to explore some of the myths and mystiques surrounding the goalkeeping function. The six-hour course is directed towards the team coach - not the specialist goalkeeper coach. The object is to empower the coach with knowledge and practice methods that will enable the coach to evaluate a goalkeeper in game situations and then design an appropriate practice program for goalkeepers in and outside of team practices. The course includes lecture (theory) and field (practical) sessions.
