

WELCOME...

SOUTHERN CALIFORNIA STRIKE FORCE GOLD, an elite ASA National 18 and Under Fastpitch Softball team, represents some of the finest young diverse group of student athletes from various high schools whose common goal is to play at the highest level possible. Ideals such as good sportsmanship, honesty, courage, integrity, ethics and respect are learned through their experiences interacting with others and competition. *STRIKE FORCE GOLD* is a stepping stone to the college ranks. Many of our players have already committed to play softball in college. They have accomplished this through hard work.

STRIKE FORCE GOLD is a non-profit organization that was established in 1998 to provide each student athlete, coaches, and parents a positive, challenging and rewarding environment for success.

Embarking on the *STRIKE FORCE GOLD* team, these young athletes have made the commitment of spending their weekends through next Spring & Summer & Fall practicing and playing softball to achieve their educational and physical goals. Their ultimate goal is not necessarily winning the game; it's the opportunity for scholarships allowing them to further their *educational dreams*. At each tournament, the players are exposed to premiere college coaches from across the nation. Adhering to strict standards, these colleges-bound athletes must maintain a minimum 3.0 GPA and are encouraged to volunteer for school and community projects.

As manager for *SOUTHERN CALIFORNIA STRIKE FORCE GOLD*, I am very proud of these young women. If you would like further information on these players, I will be happy to discuss them with you. Please contact me at: (626) 446-9385, or E-mail: StrikeForce18u@aol.com.

Thank you.

Sincerely,

Tim Westlin

Manager
