

A DAY IN THE LIFE OF A FLORIDA MARLIN HOSTED BY JEFF CONINE

**Have you ever wondered what it would be like to play in the Majors?
Ever wondered where the families of the players go before,
during and after the game?**

Here is your chance to find out!

Join "Mr. Marlin" for a personal look behind the scenes at a typical day in the life of a Florida Marlin.

Tour of the Marlins Clubhouse and see what the players do when they get to the ballpark. See where they check the lineup for the game, change into their uniforms, take showers, eat, lift weights, get treatment for injuries, and watch video of their swings. Check out the batting cages where the players hone their skills and prepare for the games, and even a few secrets about the route to the dugout and back!

Next, head out to the field to hear Jeff talk about the art of hitting and answer questions. He may even share a few special locker room stories!
