

DO IT FOR THE KIDS

February 13, 2009

Hi Presidents,

Al Herback, is now having the responsibility of selling off all the materials they have left in Play Ball. Al is looking to write a new program for 2010 but has a lot of stock to get sell of in the 2009 spring season. You can call direct to Al Herback at 403-273-4656 or email at al.herback@gmail.com. My wife Gail or I could take the order either way with payment being made by league check, Visa or Master Card. Please get in touch with any questions or concerns and thanks in advance for your support. **The instructional material is as good as it ever has been and at these prices leagues may want to purchase and have material on hand for next year.**

Here are the newest and lowest prices I can offer. **These prices are not for individual purchases and there will be no further discounts. The only thing that would have to be added is the S&H which we would let you know on ordering.**

Just think, a manual is usually \$13 and you are getting the passports for only \$5.00 more for the Getting Started one manual package!!

***Getting Started Team Package (5 through 8)**

14 passports & 1 manual = \$18

14 passports & 2 manuals = \$27

The regular price of a team package with one manual is \$25.

***Baseball/Softball Team Pack (9 through 12)**

14 passports & 1 manual = \$21

14 passports & 2 manuals = \$30

This package is a bit more as the manual cost is more.

***Planning a Practice DVD (9 through 12) = \$18**

with regular price of \$30

***Getting Started DVD (5 through 8) = \$18**

with regular price of \$30

***Advanced Manual = \$10** as well as any other manual purchased extra in league orders. These manuals are normally \$13.

These materials could become collector's items.

Al Herback (little al)
