

Dear Athlete,

Ringette Alberta has recognized you as an eligible athlete to participate at the 2011 Canada Winter Games (CWG), being held February 11<sup>th</sup> to 27<sup>th</sup>, 2011 in Halifax, Nova Scotia. The CWG is a multi-sport and coed event with over 20 different sports competing. The country's best and brightest amateur athletes will compete, attracting thousands of visitors, VIPs, officials and media. The 2011 Games will be the largest sporting event in Halifax's history and the city's first CWG. For ringette, the CWG is a developmental program for our top U20 athletes and a pre-cursor for many future athletes on the Senior Women's National Team.

Ringette Alberta will be holding two **Talent Identification Camps** before the New Year to begin the exciting evaluation and selection process. The first camp will be hosted in **Standard, Alberta on December 12/13** for those players residing in Central Alberta and south and the second camp will be shared between **Leduc, Edmonton & St. Albert on December 19/20** for athletes living in Central Alberta and north. Players are only expected to attend one of the two Talent ID camps. Players are asked to attend the camp closest to them; however, if someone is not available for the camp, they may (at their own cost) make arrangements to attend the other camp. Further, we may ask those who are willing, to attend the opposite camp should we need to balance our numbers.

The purpose of these camps is multifold: athlete development, talent identification and player evaluation and selection. All athletes will participate and be evaluated on skating ability, technical skills and game-sense through the participation of on-ice drills and inter-squad scrimmages. A subsequent training camp is planned for early May of 2010 (exact dates and located TBD). This weekend will host the top selected athletes from both Talent ID camps at one centralized camp.

Attendance at one of the Talent Identification Camps in December (2009) is mandatory for a player to be invited to attend the May centralization camp. Any player who is injured and unable to participate is expected to provide a doctor's note and attend (as a spectator) one of the camps for commitment purposes.

Please see the following pages for further details regarding the Talent Identification camp and for a pre-registration form. Pre-registration forms and payment must be received by the Ringette Alberta office no later than **Friday, November 27<sup>th</sup>, 2009**. Please note: any athlete submitting their pre-registration form and payment after this date takes the risk of being ineligible to try out for the 2011 CWG team.
