Baldwinsville Little League

Baseball & Softball equipment collection program

Last year's program was a **HUGE** success. Thank you to all who donated their children's gently used equipment so others could play ball! This year we will be running the program a little differently. Rather than collect equipment up front, we will ask for donations on an "as needed" basis. When someone comes forward and request equipment I will reach out to the coaches and parents with specific information in regards to the type and size of equipment requested. We had a remarkable response to these special request last year and feel we can fill a specific need more efficiently.

- Give your child's equipment that he or she can no longer use another chance to play again!
- All equipment collected will be re-distributed to local players in need. What is not used locally will be donated to the Inner City league for their use.
- For more information or if you are interested in receiving equipment please contact Ray Grabowski @ BvilleLLSoftball@aol.com or 720-6013.

All correspondences will be held in strict confidence.

Baldwinsville Little League is a 501(c)(3) charity organization. Donations of equipment are tax deductible to the fullest extent under U.S. tax law. Please consult your tax advisor as to the exact deduction you are entitled to.
