

"Our children are the key to the future - let's give them all the support we can."

Our Mission Statement:

"To promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in our Little League program. By espousing the virtues of character, courage and loyalty, we are in the process of developing superior citizens rather than superior athletes."

2012

Dear

Spring is just around the corner, and you know what that means, the start of baseball season. Major Leaguers, Minor Leaguers and yes, Little Leaguers will all begin getting ready for their 2011 season starting next month. For those of us in Cave Creek, Arizona it also means it is time for the third annual Cactus Foothills Little League Fundraiser, "Bash on the Bases", on Saturday February 25, 2011.

Cactus Foothills South Little League is a non-profit organization and relies on volunteers as well as sponsors for its continued success. Our league was established on October 1, 2000. We draw our players from the area of northeast Phoenix, northwest Scottsdale and Cave Creek, Arizona. We are part of Little League Arizona District 3. We offer both baseball and softball programs for children ages 5-16. Thanks to our wonderful Arizona weather, we offer programs in the spring and fall. Our league operates 100% from the support of our families as well as our league donors and sponsors. All of our league registration fees go 100% to the operating expense of the league. Additional funds the league receives through donations are placed in our capital improvement account to help improve the league and facilities.

The "Bash on the Bases" Fundraiser will help raise money for our leagues playing facilities and equipment. Our main goal as a league is to provide a place for the children to play their games and hang out with friends and family afterwards. Our newest goal is to provide shade structures and bleachers to our 3 fields. We are also working to fund lights on the south field at Horseshoe Trails. We are soliciting community businesses, as well as larger corporations who reach out to smaller communities, to help us achieve our leagues latest goal. We would love for you to contribute to our fundraiser. We are hoping for group parties or event, event tickets, dining out opportunities, travel certificates as well as gift certificates for products or services. We appreciate any donation you would be willing to give toward our fundraiser. Please feel free to contact us via e-mail or phone with any questions or concerns. I am enclosing our 501 (3) (c) tax form so you will have it for your records should you decide to make a donation. Thank you in advance for your time and consideration.
