

2011 '14U/16U' Division Rules

This division combines 14U and 16U players. This division is for girls to play in our league's most advanced environment, yet still play in a recreational, "everyone plays" league. The division follows most ASA championship guidelines appropriate for this age level. However, we continue to have all players batting in the line-up and keep an open defensive substitution policy. All girls should have lots of fun playing on their team and continue to make friends.
