

Travel Director's Update

December 6, 2009

The updated team rosters have been posted with confirmed coaching assignments. We still need coaches for the following teams: **Girls U10D (8 year old team), Boys U11B, Boys U11/U12B, and Boys U14/U15B.**

Information for the boys U17 and U19 teams has been posted in a separate update. For those involved, please read carefully and contact me with your decision.

Coaches have begun contacting players on their rosters. If you have not heard from your coach, you will shortly. If you do not, please email me at mletina@msn.com and I will make sure that this is taken care of.

I wish you and your family a safe and happy holiday season.
