Dear Business Owner/Manager:

The Clifton Park Youth Hockey Association would like your support for the youth of our community and the ability to continue to build one of the strongest associations in the capital region. CYPHA is a non profit organization dedicated to providing the best possible experience for youth playing the sport of ice hockey, all with a focus on the skills and fun of the game. Our programs start with kids as young as 4 years old all the way through the high school ages. The programs include “house” level or recreational level programs up through teams who compete at the New York state tournament level. We focus on team work, sportsmanship and the overall love of the game. With a focus on enjoying the game and skills, we have developed kids over the years into outstanding hockey players and strong adult members of the community.

CPYHA is looking for business members of the community to help take a role in the program by buying banner space within the Clifton Park Ice Arena, home to the Eagles of CPYHA. Between games and tournaments for CPYHA, Shen High School Hockey, and the programs run by the Clifton Park Ice Arena, your advertising will be seen literally by thousands of local and visiting families.

This funding will help provide coaching clinics for the kids, offset equipment costs for the younger players just getting started as well as fund a scholarship program for those who without support, would not have a chance to play the game. These program funds will go directly to league if you contact me directly per the information above. If you know or are approached directly by a member of CPYHA, funds will benefit the individual or the individual team directly.

In general, player costs for youth hockey start at \$300-\$500 not including equipment for the younger groups up through \$1500-\$1800 for the older groups. Your help and support allows us to help with some of the costs and keep new kids coming into the program. Details on the program are on the attached page.

Thank you in advance for your support!!

Mike Nelsen
President-CPYHA

Banner Pricing: (1 Year)

\$800 for a 4 x 8 if CPYHA takes care of the Banner Creation. The Sign Studio or Empire Signs & Graphics are normally used.

\$650 if you create and provide the Banner on your own

Sign up for 2 years and pay in advance and year 2 will be discounted to \$500. (\$1300 vs \$1450)

Sign up for 3 years and pay in advance and year 2 will be discounted to \$500 and year 3 to \$300. (\$1600 vs. \$2100)
