I love Softball because: I love playing the game, having fun, and playing as a team

Coaches Comments: When Brittany crosses the foul lines she becomes one of the most focused players I have coached. GREAT softball instinct!! At 1B she fields everything and has super soft hands. She makes ALL the infielders better. She plays 3B as if it's her primary position and can also move to RF or LF with ease. With the bat she has very good bat speed that generated great pop. Hits to all fields with power
