I love Softball Because: I love the competition, the feeling I get when the team wins and having fun:

Coaches Comments: Danielle is born leader who is a thrill to watch on the field. She pushes herself to be the best and in turn drives everyone around her! At 3B she has soft hands good range and a great arm. She has all the throws. With the bat she truly shines. She hits for high average and has HR power to ALL fields. Very good approach by working each side of the plate--aggressively.
