**Coaches Comments:** Jess is a huge star in the making and is already a 5 tool player. As a pitcher she has great command of all her pitches and uses varied speeds to keep hitters off balance. Jessica is blessed with lightning speed and uses it well in the outfield tracking down all balls hit in the gap. She combines that with a VERY strong arm. With the bat she simply stands out. HR power and drives it to all fields. Most of all—GREAT Kid, with a great attitude and work ethic
