2008 Presidential Gold Award-Educational Excellence

2007 Award-Board of Education-

Academics and School wide Virtues

2006 Award-Board of Education

Coaches Comments: Kayla is an excellent groundball pitcher and possesses control of a wide variety of pitches. She uses great pitch location, movement with 3 different speeds to keep batters off balance. Top it with tremendous competitive mound presence and she has a great formula for success. She is VERY smooth at 2B and Outfield and has very good gap power with the bat!!
