CYBA BOARD MEETING SCHEDULE:

6:30 pm on the first Wednesday of every month at the Camarillo Community Center (corner of Carmen & Burnley).

MESSAGE FROM THE CHAIR

I hope this newsletter finds all of you enjoying the summer. Although the days are long and the weather is hot, believe it or not, we are well into planning and preparation for the 2009-10 CYBA season. As you can see, registration opens on August 1st. We have carefully analyzed our budget and attempted to keep costs as low as possible. To ensure that we can get our leagues organized and started on schedule, we are strictly enforcing the registration end date.

Volunteers are the key to our organization. As Chair, I am lucky to have a great group of people that have volunteered for Committee and Executive Board member positions. I am looking forward to working with all of them over the next few months. There are still a few open Committee positions so if you would like to participate, please attend our next Board meeting on Wednesday, August 5th at the Camarillo Community Center (meeting starts at 6:30).

Last season, the CYBA provided playing opportunities for almost 700 Camarillo children (683 to be exact). I am hopeful that we can get the same level of participation for the 2009-10 season. Be sure to register on time so that you do not miss out. If you have any suggestions or questions, visit the CYBA website for all the latest league and contact information.

Hope to see you all during the season.

Sincerely,

Mark Schienbein
CYBA Chairperson

VOLUNTEER POSITIONS

CYBA is run by volunteers in our community. Please don't assume that CYBA will still function without you.

The following volunteer positions are still open for the 2009-10 season:

Player Evaluations – This person is responsible for organizing and running the pre-season skill assessments for new CYBA

players. This is typically a one day, 4 hour event. At the end of the season, this person is responsible for conducting the Player Evaluation Meetings which occur on two nights during the first week of playoffs.

Equipment – This person is responsible for obtaining basketballs and supplies (ice packs, etc.) for delivery to each league commissioner prior to

the start of the season. They are also responsible for collecting the equipment from the commissioners at the end of the season.

If you are not interested in one of these specific positions but would like to volunteer in some capacity, please contact us or attend the next Board meeting. There are always opportunities to help.

DONS TRYOUTS

CYBA travel team (DONS) tryouts for the 2009-10 season are scheduled for the last week of September and the beginning of October. Any player not selected for a travel team is automatically placed on a Recreation league team. Check the CYBA website for the latest information on tryout dates.

Current Dons Players and those who want to tryout for the Dons MUST register by September 15, 2009 in order to be part of the Dons 2009-10 season.

Dons 5th/6th grade summer team (not in order): Simone Lewis, Pilar Martinez, Brooke Seay, Sydney Arikawa, Markie Mulchey, Nautika Diaz, Sophia Vasquez, Amanda McGinley, Madyson McGinley, Emily Rivera, Katie Guntner, and Coach Zandro Diaz

HOW TALL ARE YOU?

Please Don't Guess!

In order to continue our policy of only requiring pre-season skill assessments for "new" CYBA players (those who did not play CYBA last season), it is important that we receive accurate height

measurements for each registered player. Once again, we are counting on you to provide accurate height measurements when you register. So whether you register online or mail-in, please measure the player to get an accurate measurement.

Everyone benefits!

REC LEAGUE COMMISSIONERS

Each CYBA league must have a "Commissioner".

Besides being a member of the CYBA Board, he/she is responsible for "running" their league. The Commissioner is responsible for

- organizing coaches;
- managing league's operations including game, practice and playoff schedules;
- running the gym on game day by insuring that games are started on time, monitoring the scorekeeping and refereeing; and

- making sure everything runs smoothly.

Committing 4 hours on Saturdays is not always easy but without a Commissioner there cannot be a league. We are encouraging recruitment of assistant commissioners.

The Commissioner is still responsible for all of the administrative tasks and communicating issues to the Board, but will have help in covering games or assisting in

other areas as may be jointly determined.

Last season several leagues got off to a late start due to a lack of a Commissioner volunteer.

Please email CYBA (or check the appropriate volunteer box on the registration form) if you are interested in commissioning.

CONSISTENT ATTENDANCE AND FULL PARTICIPATION

We try hard to balance the teams in each league based on basketball skills & heights. Any time a player misses a game, this delicate balance is disrupted. Therefore we ask for consistent attendance and full participation. Please do not have your child participate in CYBA on a part time basis.

Also, it is highly encouraged that your child attends as many of their team practices as possible so he/she will understand the plays and be prepared for the games.

Fighting Irish Boys 4 celebrate 4th place with a pizza party.
