

# Welcome to DCAC's Fall 2009 Diving Season!

*We welcome you to Dexter Community Aquatic Club's Fall Dive Program. Our objectives include providing divers with the opportunity to build fundamental skills as well as advanced techniques in a fun, safe and challenging environment. Fall divers may also participate in an interclub exhibition dive meet during this session that will help divers and parents understand competitive dive meets.*

## **Membership & Club Information & Prerequisites**

DCAC Membership is open to all young people under the age of 19 as of September 1, 2009. All divers must be able to demonstrate that they can jump into the dive well end of the pool, and that they can swim one continuous width of the dive well using any stroke without stopping and without assistance. The registration form requires that both a parent/guardian and the diver(s) sign a statement indicating their commitment and their responsibility to review and accept the applicable responsibilities of membership in DCAC, which is contained in our membership handbook, the "Piranha Pamphlet." This can be found on the club's website at [www.dcacswimming.org](http://www.dcacswimming.org). DCAC Meet Volunteer Requirements are not applicable to Fall Dive-Only members, however parents WILL BE needed to help out with any exhibition meets we may have – it's fun and easy! All DCAC information is communicated via email to members registered for this season, and is posted on the DCAC website.

**Everyone MUST subscribe to the "dcac-master" list, the "fall-all" list, and then Please subscribe to the diving group list, "fall-dive".** Send an email to the list(s) you are subscribing to. You will receive a confirmation email back. Here are the email addresses:

[fall-all-subscribe@dcac.provide.net](mailto:fall-all-subscribe@dcac.provide.net)  
[fall-dive-subscribe@dcac.provide.net](mailto:fall-dive-subscribe@dcac.provide.net)

**Please check your email and the website often, especially for unexpected pool and schedule changes.**

## **Registration Information and Priority**

All diver registrations must be received no later than Tuesday, September 1, 2009. **DCAC Fall Diving will be limited to a maximum number of divers per practice group.** During this fall season, registration priority will be done as follows: 1) Returning DCAC Summer '09 divers and siblings in good standing; 2) Divers registered with DCAC in the past year, in good standing; 3) DCAC Swimmers; 4) New members to DCAC, in-district; 5) New to DCAC, out-of-district. **DCAC must have a minimum number of participants by Tuesday September 1, 2009 in order for the Fall Dive program to be implemented.** If the minimum number of participants is not reached, you will receive notice by email by Tuesday, September 8, 2009; and your complete registration fees will be returned to you.

For divers new to DCAC Diving, there is a paid **trial period for the first two practices.** A refund minus \$30 administrative fee will be given for any diver NEW to DCAC Diving who withdraws by email request to [dcacdiving@dcacswimming.org](mailto:dcacdiving@dcacswimming.org) by Sunday, September 27, 2009.

There is no trial period or refund for returning divers (includes any member who dove in the past 12 months with DCAC).

**Season Dates, Practice Times, Location and Fees**

All dive practices will be held at the Dexter Community Pool – Wylie Pool, located at Kensington Street, Dexter, MI. **Pool availability and practice schedules are subject to change.** Fees are based on the full schedule. ### **Practice Group Assignment for Group A or Group B**

**On the first day of practices (Saturday, September 12, 2009 or Sunday September 13, 2009), all divers with less than 1 year of experience or no dive competition experience AND under age 10 should attend practice at 4:00 pm and will be evaluated for either practice group A or group B. All other divers should attend at 5:00 pm. The coach will evaluate each diver in order to confirm a practice group so that divers can fully benefit during practices.**

In order to balance out the total number of divers, practice group assignments may also be based on the total number of divers registered for that day of the session – the DCAC coach and board will have the final determination for practice group assignments. Divers will be notified by DCAC or by a coach if their assigned dive practice time needs to change from what they registered for. Your fee may be adjusted based on the practice group assigned.

### **Dive Team Equipment**

DCAC team suits are not required, but team and practice suits are available at a team discount at Dexter Bike & Sport at 3171 Baker Road. Girls must wear one-piece suits. No goggles or other equipment necessary! Other DCAC apparel and items are available through our team apparel person, Chris O'Malley.

### **Dive Meets**

Other than potential interclub exhibition meets and a possible fun meet with another local club to instruct divers on meet format and scoring, we do not expect to have dive meets for this fall session. Exhibition (or interclub) dive meets are fun and give new divers and parents a great view of how a dive meet runs and is scored. Coaches judge these meets, parents' help with announcing, scoring, ribbons and treats!
