

City of Grimes Park/Field Use Policy

Updated by Park Board on 3.13.09

The City of Grimes operates and maintains all city parks, including the sports complex. The city parks are available for use by all Grimes citizens and non-citizens.

Sports Clubs assist with maintaining fields and operating all of their scheduled activities on the fields.

The following listed groups are prioritized with 1 having the highest scheduling priority for usage of all sports fields.

1. Dallas Center –Grimes Schools (Sports Complex – 28E agreement)
2. City of Grimes
3. Grimes Sports Clubs
4. All other, which includes all other teams not directly involved with Grimes recreational sports clubs based on availability. (i.e.: AAU, ASA or select teams)

All priority for scheduling requests must be made to the City of Grimes and the respective sports club representative, listed below, to confirm availability for use. Priority level 4 requests, including area teams, will be on a first come first served basis.

If a conflict occurs and two sports clubs/teams arrive to play on a field at the same time, the scheduled team stays on the field, the other team must relocate.

The City of Grimes reserves the right to cancel any request due to Weather, Maintenance or group priority. The respective club will contact you in the event that it is necessary to reschedule your event. Scheduled games would not be bumped however scheduled practices could be.
