

Hello Everyone:

American Elite Baseball currently offers private, group, and team hitting and pitching lessons at Stadium Golf & Batting Cages. Also, in addition to offering lessons with our professional staff we will also offer *Pee Wee Basics* taught by current or former College baseball players. *Pee Wee Basics* will be done under my direction but will allow an affordable price point for students. This program will offer private hitting or pitching lessons in a 30-minute format. There will also be a peewee program that will teach the basic fundamentals of the game how to catch fly balls, ground balls, bunting, hitting, and throwing mechanics. This format will be 60 minutes in duration and available on Sundays only initially. We offer Team Lessons upon request. Price will depend on instruction requested.

As a former director of the San Diego School of Baseball, Assistant General Manager and Director of Scouting for the Padres I have come to recognize what needs to be taught to young players. It is important that the players have proper instruction that will aide in preventing injury, boost their self esteem, confidence and a growing sense of awareness as to what it is to be a contributing member of a team effort.

Currently, information is available on www.reggiewaller.net and www.americanelitebaseballacademy.com. Should you receive the application via email or on the web site please fill it out while online, print and sign. The application is a Word based program. An application is being provided email attachment.

We are prepared to move forward immediately. We will offer lessons on Sunday through Thursday. Lessons may be provided on a as need basis on Saturdays.

Donna Horne will schedule lessons and will handle all lesson communication. Donna can be reached at amelitebaseball@aol.com. Email is preferred to avoid phone tag. Should you need to speak to someone 858 863-4105.

Best regards,

Reggie Waller
