## 2011 USSF REGISTRATION PROCEDURES

Rev 09/28/10

### USSF Registration Is Now Done On-Line in Eastern Pennsylvania.

All referees, assignors, assessors and instructors **registered through EPA with USSF in 2010** will be receiving a postcard from USSF outlining the 2011 registration process. Your postcard should arrive sometime in October 2010.

Once you receive your postcard from USSF, check the data on your postcard. If your referee grade is listed incorrectly, **DO NOT REGISTER ONLINE**. Instead, contact EPSARC at [registration@epsarc.org](mailto:registration@epsarc.org). Give your name, address, home phone, emails, date of birth and USSF ID number and explain your problem. Allow 5-7 days for a response.

**After you receive your postcard from USSF and confirm your referee grade is accurate**, visit US Soccer's website [www.ussoccer.info](http://www.ussoccer.info) to register on-line. Type in your User ID and your password (both found on the postcard you received from USSF). Click on "2011 Registration". Both the postcard and the website include step-by-step guidelines for you to follow when you register online for 2011. Follow the prompts as the system walks you through the registration process. All fields with an \* must be filled in. *A note of caution:* After Step 6 and before Step 7 (on the postcard), you will need to input your game count. There is a fairly small icon for you to click on. This will open a box where you will indicate all your games. If you do not enter your game count, you will delay the processing of your registration. The 2010 cost for Grade 8 and Grade 9 referees was **\$50**. The 2011 registration fees will remain unchanged. After you have finished your on-line registration, print a copy of your registration receipt. Keep your registration receipt and all related paperwork (game logs, training certificates, refresher test, assessments, physical test score) in your files so you can prove your compliance with registration requirements. **Do not mail any registration paperwork anywhere.** (If you have any registration questions, send an email to [registration@epsarc.org](mailto:registration@epsarc.org). Give your name, address, home phone, emails, date of birth and USSF ID number and explain your problem. Allow 5-7 days for a response.) Registrations filed after 12/31/10 will cost \$60 (\$50 to register + \$10 late fee). Late registrations can take up to 3 months to process. Last day to register for 2011 is 05/31/11.

Each referee\*\*\* will need to have the following information to register for 2011:

- Computer with internet access
- Credit Card (Visa, MasterCard or Diner's Club only) for on-line payment of fees
- Your game log **(9/01/09 to 8/31/10)**
- \*\*Training Certificate(s) verifying a **minimum of 5.0 hours** of training completed
- \*\*Your written test, **with a passing score of 75 or better**
- Assessments, if applicable
- Physical Fitness Test, if applicable

\*\*If you finished the new referee course between 01/01/10 and 06/15/10 then you will not need the above-starred items. \*\*\*If you finished the new referee course on or after 06/16/10, then you are already registered for 2011. Your 2011 badge and "Laws of the Game" book will be mailed to you from EPSARC ([sra@epsarc.org](mailto:sra@epsarc.org)) before the end of 2010.

A handy checklist for you to use.....underlined items can be found on the DSRA website under “Handouts”. If you are missing any of the items required for 2011 registration (ie – you have not passed the refresher test), and you register online anyway, your registration will not be approved by EPSARC or sent on to USSF for completion. If you are missing any of the items required for 2011 registration (ie - 5 hours of continuing education, a passing score on the refresher test), do not register online.
