ETC Elite is Chester County's new premier travel softball program and will be participating in PONY and USSSA competitions.

The young ladies on the **ETC Elite** team represent high schools and middle schools all across Chester County, including Avon Grove, Coatesville, Downingtown, Kennett Square, Octorara, Oxford, Unionville, Villa Maria Academy, West Chester and more. Besides participating in high school and travel softball, they are also members of other varsity sports programs, various musical and extracurricular activities, student leadership and volunteer organizations.

We are asking for your support and a donation to help these young ladies. All sponsors will be listed on our team web site and in any literature and promotional materials we distribute. All donations will help offset the costs for insurance, equipment, uniforms and tournament fees – and will be greatly appreciated by our players and their families.

Become an ETC Elite sponsor today by filling out the attached form below and returning it to my attention. We will be proud to have you as our sponsor and if you request we will be happy to send along a team picture that you can display in your office.

Thank you in advance,

Your Friends & Family at ETC Elite!
