

FOREST HILLS BASKETBALL LEAGUE

GIRLS DIVISION

2009 SEASON

The Forest Hills Youth Activities Association – the same organization that created the girls league of Forest Hills Soccer – has created an ALL GIRLS DIVISION of Forest Hills Basketball for girls ages 9-16.

This league will focus on teaching our players the skills they need to enjoy a game that is played by boys and girls all around the world. We will teach our players how to dribble, pass, shoot, play defense and understand basic game strategy.

The League will structure the season around the needs and desires of the players and practices will be incorporated into the schedule so the girls can work on their skills with their coaches.

We will provide uniforms for all registered players. All you will need is a good pair of basketball sneakers for proper foot protection.

All games will be officiated by experienced referees.

The Girls League will play twice a week at PS 174 located at Ellwell Crescent (3 blocks away from the soccer fields). Our season generally runs from late October to the end of January.

COME SEE US AT REGISTRATION ON SEPT 26, SEPT 27, OCT 3 OR OCT 4 AT THE LITTLE LEAGUE CLUBHOUSE FROM 9 A.M. - 12 NOON. REGISTRATION FEE IS \$135.
