**Little League Baseball & Softball is still available for the children in the MetroWest Community and the surrounding area at one of the following established programs in Dr. Phillips, Windermere, Ocoee or Rolling Hills Little League. These leagues offered some of the finest facilities in this county.**

It is extremely important for you to know that Little League is still available in your community, and that you are not obligated to follow the previous MWLL board's direction to participate in a non-Little League youth baseball program.

Review the new boundaries that have been established and determine which Little League boundary you live in and registered for the upcoming season:
