RE: **SUPPORTING OUR CHILDREN THROUGH YOUTH ATHLETICS  
LITTLE LEAGUE FLORIDA DISTRICT 6**

Dear Supporter:

Little League Florida District 6 serves over 4,000 children annually in the Tampa area community by offering the youth athletic programs of baseball & softball through our twelve (12) chartered leagues. These programs teach our children the life-lessons of hard work, responsibility, appropriate social interaction, teamwork, and fair play.

Our leagues and District are served by over 1,000 unpaid volunteers that help coach our children, provide labor for league operations, perform administrative tasks and oversight, and plan and operate several post-season baseball & softball tournaments. Our non-profit leagues and District must raise or find contributors for 100% of the funds, equipment, and services required to operate annually.

The cost of providing these valuable programs to our children is great. The nominal fees charged for participation do not come close to meeting the substantial budgets our leagues need to operate. Without the proper funding, providing a safe and productive place for our children becomes increasingly difficult. Each year, our leagues face budget-cuts from our local municipalities, reducing the grounds-keeping and utility services our leagues depend on. Equipment, uniforms, and field supplies our leagues must purchase to operate become more expensive. Our leagues also face families that are struggling to make ends meet under our nation's current economic conditions. Many of our leagues serve underprivileged families that can not afford to pay for their children to participate, so we provide participation for many children at "no cost" in an effort not to turn a single child away from our programs.

Providing a safe place for our children, off the streets and out of trouble, requires our leagues and District to reach-out to the families and businesses in our community and beyond to help raise the funds necessary to meet our substantial budgets. Without these kind and generous contributions, our District and leagues could not operate. It is only through our fundraising efforts and your contributions that our programs continue each year. If you can find a place in your heart and budget to help our programs continue, any amount will help.

**Please help our District and leagues continue to serve and provide programs to the children of our community. Your tax-deductible contribution will go a long-way in helping us do so.**

Thank you for your time and consideration. If you have any questions, or if we may be of assistance in any way, please do not hesitate to contact Tony Fusco at 813-431-1497 or the email below, or Greg Sinadinos at 813-228-7800 ext. 202 (office) or at the email below.

All the best,

**LITTLE LEAGUE FLORIDA DISTRICT 6**
