

LITTLE LEAGUE BASEBALL & SOFTBALL

Southeastern Region Headquarters

DIRECTIONS: Record the total Number of Teams and the total Number of Players, then, break down the number of Players by League Age for each respective BASEBALL and SOFTBALL Division.

League ID # : 0309 - 06 - _____		Age Breakdown Sheet								League Name: _____							
Division	Number of Teams	Number of Players	18	17	16	15	14	13	12	11	10	9	8	7	6	5	4
BASEBALL																	
	Tee Ball																
	Minor League																
	Major League																
	Junior League																
	Senior League																
	Big League																
SOFTBALL																	
	Tee Ball																
	Minor League																
	Major League																
	Junior League																
	Senior League																
	Big League																

NOTE: For the purposes of this form, there should be no distinction between separate divisions within the Minor League program (s). For instance, if your league has 30 players who are league age 8 in a coach-pitch division of the BASEBALL Minor League and 4 players league age 8 in a player pitch division of the BASEBALL Minor League, you would enter the number 34 on the line for BASEBALL Minor League under the "8" column.
