2009 SPONSORSHIP OPPORTUNITIES

The Temescal Valley Little League Sponsorship Program is designed to make sponsoring Little League fun, easy and beneficial for everyone. Our baseball program has been dedicated to the development of our local youth by providing positive role models in a fun, safe, and instructional environment for the past 11 years.

Dollar for dollar, sponsorship in youth sports is one of the most effective ways of advertising for your business. It is a great way to show your community support, and best of all, its **100% TAX-DEDUCTABLE!**

Temescal Valley Little League recognizes and supports our sponsors through league events, newsletters, and highly visible banners displayed throughout the season. The support of our dedicated community sponsors is vital to the success of our league by generating the income needed to continue our field improvements, purchase uniforms/equipment, registration grants for need-based families and educational training clinics for our coaches, managers, umpires, and players.

Planning for our 2008-2009 season officially begins in October. Spring games are played February through June, with post-season tournaments continuing through August. Questions regarding sponsorship may be directed to info@temescalvalleybaseball.com.

Thank You for Your Support!!
