Ira Township Little League

Your generosity continues to make dreams come true...

Please be a Sponsor in 2012 and keep the momentum going...

Ira makes it to the State Finals (Back to Back)...

Ira continues to improve the quality of the league and give the kids an experience that will last a lifetime.

Planning has started on a new practice / concession building complete with flush toilets.

Who are we?

The Ira Little League Program celebrated its 52st anniversary last year and continues to offer kids from 5 to 18 years old a place to learn the game of baseball, develop self-confidence, and become part of a team. This year, Ira Little League has continued to grow to over **500 players**. Our league covers all of Fair Haven, New Baltimore, Ira Township as well as parts of Chesterfield, Clay and Casco. Our ball fields are located on the property of the Anchor Bay Lions on Short Cut Road in Ira Township. The program consists of T-Ball, Pitching Machine, Minors, Majors, Junior, Senior, Girls' Softball, and 2 Challenger teams (*the only challenger league for the mentally and physically challenged children in St. Clair County*).

Why?

Over the past two years, dedicated volunteers in cooperation with generous sponsors have enabled the league to construct two new diamonds, a parking lot, and make repairs to existing fields. During the fall, the league completely overhauled the Challenger field to make it easily accessible to players with special needs and we are in the planning process of constructing a new practice / concession complex.

With approximately \$30,000 in operating costs (uniforms, equipment, insurances, umpires, field maintenance, advertising, utilities, etc.), our program would not be possible without the generous support from local businesses, friends, and family members of the league. Registration fees barely cover half of these expenses. The league does not receive any subsidy from a city or township.

Ira Little League is a non-profit organization, so your donation is fully tax deductible, and 100% of the money received is invested in our league. We truly appreciate your generosity. All sponsors will be introduced and listed in our Opening Day program. You are cordially invited to our Opening Day Ceremony at 12:00 noon on Saturday, April 28th, 2012.
