## ROLE OF THE PLAYER AGENT

The player agent conducts annual tryouts, is in charge of player selection, assists the president in checking birth records and eligibility of players and generally supervises and coordinates the transfer of players to or from the Minor Leagues according to provisions of the regulations of Little League Baseball.

Separate player agents may also be selected to oversee individual divisions within the league. The player agent must not manage, coach or umpire in the division over which he/she has authority, unless the local league has received explicit written permission to allow this from Little League International.
