

# WHAT HAPPENS AT THE RULES CLINIC??

This clinic is an in depth study of the 2012 playing rules for all divisions of baseball and softball. It is strictly a rules clinic, and is designed for managers, coaches, board members and umpires. Knowledgeable instructors will examine each of the playing rules in both the baseball and softball rule book. Many of the rules will apply to both sports.

Anyone interested in learning and understanding the playing rules is encouraged to attend the clinic.

There will not be a mechanics session in this clinic.
