

Player Agents Seminar

Western Region Headquarters

This clinic will assist the Little League Player Agent in the performance of his/her job responsibilities. This is probably the toughest job in a local league. This seminar will assist you with the development of a plan and knowledge of how the player agent interacts within the local league. The training offered, and the materials presented are outstanding.

This clinic is open to all Little League Volunteers and District Officials, regardless of experience. You will be provided with the necessary tools to complete your difficult task and return to your leagues to administer your duties with the knowledge and confidence necessary.

This will be a one day clinic on Saturday, starting at 7 a.m. and ending at 8 p.m. Meals and training materials will be provided at the Western Region Headquarters complex. The cost for the clinic will be \$60.00.

Clinic registration begins October 1st and will **only be taken on-line**. Please register early, as space is limited. All training sessions except the Junior Umpire School are limited to adults 18 years of age or older unless special permission is granted by Western Region Headquarters.
