Established 1969

Dear Future Sponsor,

The board members would like to invite you to participate in the 2012 Luckie Waller Little League (LWLL) Baseball/Softball season. Established in 1969 LWLL has proudly been serving the South Bay Community and giving an opportunity to have boys and girls from the ages of 5 to 16 years of age experience the excitement of Little League Baseball/Softball. All of our five baseball fields are located at Montgomery Waller Park adjacent to Montgomery High School. All of the LWLL board members, umpires, coaches and team moms are all volunteers, we are a non-profit organization. We all have played, coached, attended, or have children and in some cases grandchildren playing here at LWLL at one time. We encourage you to help us celebrate our 43rd year with a donation of your choice. As with any organization we have goals to accomplish this year and with your help, our 43rd year can be the best ever.

Our goals

- Electronic score boards - Our idea is to get electronic multi purpose score boards placed in three of the five fields. Currently LWLL has no scoreboards and the idea of having scoreboards just makes the players, coaches and spectators enjoy the experience a lot more. Funding for a scoreboard is heavy for a non-profit organization and although we have none they are needed.
- Equipment – As with any year new equipment is needed and this year is not excluded. We try to use equipment year after year, but the safety of the players is the most important topic to us. Therefore we are forced to retire old equipment and need to purchase new equipment. Again safety is the most important thing to us so new equipment is one of our main goals. We have about 30- 40 teams in different age groups, and the equipment is essential to having a safe and memorable season.
- Field improvement – Four of the five fields have been around since 1969 and over time they are in need of repair. We want to improve the dugouts (benches where players sit) placing removable tarps over the dugouts to keep the sun out. Water coolers in every dugout during games, bench repairs including fencing, and the installment of bullpens on the four fields.

We encourage you to help us meet our goals this year with your generous contribution; all of your contributions are tax deductible and helps our community provide a safe proper place to play Little League Baseball.

We thank you for your time. For further information fell free to contact me at (619) 754-3408 or email at tony88montana@hotmail.com.

Thank you,
