Little League West Region,

On October 2, 2011, the Governor signed Assembly Bill 1053, Chapter 402. This bill increases the base fees for obtaining death, fetal death or birth certificates. This fee increase will be spread out over a three-year period and will be applied incrementally, imposing a net fee increase of **\$2.00 on January 1, 2012**, an additional **\$2.00 fee increase on January 1, 2013**, and an additional fee increase of **\$2.00 on January 1, 2014**.

Any assistance you can provide for distribution of this information to all the Little League district offices would be very much appreciated and hopefully will assist in deterring the return of birth certificate requests due to incorrect fees and causing a delay for youths registering to join Little League.

Thank you.
