Message from the President Newton Central Little League

Welcome to the 2009 Newton City Series. Newton Central Little League is proud to welcome you to the newly renovated Cabot Field. This annual tournament has been a Newton tradition for over 40 years. Each of the five Newton Little Leagues, Central, East, West, North and South sends a team in the Major League and Minor League Divisions and they each play a single elimination format to determine the City Champion.

The Series is hosted by the League of the team that was victorious in the prior year's Major League Division and the 2008 Champion was the Newton Central Giants. The seeding of the teams is based on a rotating format that was agreed upon by all of the leagues a number of years ago. We congratulate all of the players who have honor of participating in this tournament.

We ask all of our guests to show good sportsmanship and respect for all players, coaches, umpires and other fans. I know that each child that plays in this tournament will have fond memories that will last long after the last out of the final game.

I would like to thank all of the many people that have helped us to host this tournament. Now, let's Play Ball!

Roger Lehrberg, President
Newton Central Little League
