

New Jersey State Little League District Administrators Association

The New Jersey State Little League District Administrators Association was formally established in 2003 to improve the quality of the Little League program in New Jersey through informative meetings, communication, coordination of Little League activities, adoption of organizational and tournament procedures, umpire training, higher standards for tournament hosts and an ongoing awards program. The Association is also charged with the Administration of 14 State Little League Baseball and Softball Tournaments.

The Association represents every chartered Little League in the State of New Jersey through the 20 elected District Administrators who, under the supervision of Little League Baseball International, provide guidance and direction to the Little League programs for children ages 5-18. Governance of this body is vested in the New Jersey State Committee under the leadership of the New Jersey State Coordinator.

Local, regional and state-wide friends of Little League Baseball and Softball are invited to support the Association and its activities that directly benefit the quality of the Section and State Little League Baseball and Softball Tournaments. **Sponsorship for the New Jersey State Little League Tournament Season is \$300 and checks may be made payable to New Jersey State Little League.** Single Source sponsorship rate is \$600.

State Little League Sponsors receive:

- An invitation to the State Little League Banquet
- An invitation to present at one of the New Jersey State Little League meetings
- An invitation to throw out the first pitch at the New Jersey State Little League tournament
- Featured banner advertising and listing on the New Jersey State Little League Website: www.njlittleleague.org
- Featured listing in New Jersey State District Administrators Association Newsletter
