
About NVGSA

The Northern Virginia Girls Softball Association (NVGSA) is a softball-only organization dedicated to serving the area's young women through this exciting and growing game.

Girls who participate in our league not only gain knowledge and skills to help them play the game of softball--they gain lessons and experiences that prepare them to conquer challenges facing them in school and beyond.

NVGSA girls learn discipline, teamwork and dedication, all while making new friends. Most importantly, our girls have fun on the field while gaining self-confidence and a love for the game.

Give the girls in your life the opportunity to participate in one of America's fastest-growing sports.

The NVGSA girls' motto: We make all the other kids *wish* they could say they throw like a girl!
