Re: Extension of Deadline to submit Candidacy for Board of Directors

Dear PYHA Members,

It appears that due to an error on the Board Election Notice there may have been some confusion as to the deadline for submitting nominations for the Board election. In order to insure that no PYHA member who is interested in getting involved as a Board Member is adversely affected by our mistake, we have extended the deadline for submitting nominations to 11:59 pm on Wednesday, February 15th.

Those interested should send the Statement of candidacy to Sandra Neville or myself via e-mail prior to the new deadline.

We apologize for the confusion!

Drew Cassidy, President
