

To all PYHA members,

It is that time of year for the Annual Election of Board Members.

PYHA is built on volunteers who truly care about the advancement of all players within PYHA, it is not just House or just Travel. It is a league for all. We need individuals who truly care about the advancement of our players. We need individuals to help with decisions that come up throughout the year. If you feel the Board isn't doing enough for our players, or things could be better, or if you just want to help us grow, please think about running for the Board. We need individuals to help with all aspects of the League and who are willing to work. Please consider helping out.

No position is insignificant.
