

House Vice President Message

It is with great anticipation that we look forward to another season of hockey throughout the Peoria Youth Hockey Association. Our House League allows for more internal competition than any other house league south of the Chicago land area, thus maximizing the convenience of your child's play while capping off the season with a house league tournament. We offer many additional options in our House League such as the Mini-Mite Program, Girls Hockey Program and All-star program. So come join us, once again, for another great season!
